Facts every automobile owner should know:

-  The average person drives 15,000 miles per year, dropping most owners out of factory warranty within 2.5 years.
-  The average buyer will own a new vehicle for 7 years exposing the owner to significant repair costs for 4.5 years.

Now you can get extended protection for your new or pre-owned vehicle. Royal Protect Vehicle Protection is the choice for coverage, flexibility, and value with a selection of program levels designed to fit any vehicle or budget.
